Query link about companies licensed within the licensing authority	<p>Do you have an inquiry service for companies registered with you?</p> <p>In this matter, we aim for each authority to have a service link to facilitate the inquiry and assist researchers and investors and to reflect the authority's activity. This service helps to search for key information about each company registered within your authority and enables the user to obtain the following data:</p> <p>Name of the company, the date of its incorporation, its general manager, and the names of the partners, the capital, the main activities, and its legal form.</p> <p>There is no that option</p>
